

## MECH 411

 **Medium Trucks**

The KAB 411 is a mechanical suspension seat specifically designed for use in medium trucks. It includes all the essential ergonomic features required by Australian truck drivers as well as manual drivers weight adjustment from 50kg to 120kg.

The KAB 411 has adjustment controls at the front. It is ideally suited for applications where access to controls at the side of the seat may be difficult. This compact seat suits Mack truck seats, R Series Kenworth, JCB Backhoe, Mercedes-Benz Sprinter and more.
